Approval of Minutes of January 13<sup>th</sup> Planning Commission Meeting Minutes:

- ❖ Mayor Tammy Meyer made the motion to approve January's meeting minutes and Marty second. All ayes.

Toomas discussed the possibility of installing a fence around the playground at Buchert Park. He shared that DMRC has expressed interest in helping fund the project and is exploring financial options to make it feasible. The proposed fence would follow the existing mulch line around the playground. The commission also discussed the number and placement of access gates. It was noted that our insurance company has advised that the existing fence along the river cannot be removed entirely. However, repainting the fence was suggested as an option to improve its appearance.

- ❖ Steve made a motion to move the decision on a fence around the playground to Parks Board at their March 3<sup>rd</sup> meeting. Tammy second. All ayes.

For the next meeting, the commission will review Zoning Section 500. The possibility of converting Prospect Street into a one-way street was also discussed. Marty reported that several residents and business owners he spoke with were supportive of the idea. The commission further discussed truck traffic and Mantaline in this decision on Prospect St. The commission will reach out to Mantaline for their thoughts on this idea.

Adjournment 7:05 p.m.

- ❖ Steve made a motion to adjourn the meeting. Marty second. All ayes.
