Approval of the Minutes for previous month

❖ Heather motioned to approve the minutes from 4.5.2022. Scott second. All ayes.

Village Administrator's Report is turned in and on file. Maryann said that Rotary was going to donate a handicap picnic table for the pavilions at Buchert Park. She also added that there is a leak in the water lines at the cemetery. Decisions were going to be made after the election.

Review of Legislation

The committee looked at 913.02 (b) to possibly add verbiage that allows village administrator to use a vendor to repair sidewalks, and not just the village service department. It was decided that Maryann is to ask Michele to write something up for next month to add this to 913.02 (b).

New Business

Maryann stated that CYC Mulch was not going to be taking leaf bags this year. She is investigating options.

Mayor stated that we will not be replacing the concrete in pavilion #1 in Buchert Park Phase IV, only the ADA walkway and the center of the basketball court and replacing the fence there also.

Adjournment

❖ Heather motioned to adjourn. Scott second. All ayes.

Scott adjourned the meeting at 6:26 PM.
