

**PARKS BOARD  
MEETING MINUTES  
June 16, 2021  
6:30 PM**

Don called the meeting to order at 6:30 p.m.

**Roll Call:** Don Buchert, Marty Hura, Nina Schroeder, Scott Weaver

**Other Village Personnel Present:** None

**Citizens Present:** None

- ❖ Motion to excuse Cookie Vanek made by Marty, seconded by Don; all “ayes” given.
- ❖ Motion to approve minutes from May 19, 2021 made by Don, seconded by Scott; all “ayes” given.

**Old Business:**

- The volleyball court’s revamp is complete.
  - Don reports that the net is sagging, and the Board will forward this information to the Service Department and request that they tighten the net.
- The western pavilion’s concrete was treated with crack sealant.
  - Don reports that the sealant has shrunk and does not completely fill the cracks, and Marty will inspect the gaps to determine if additional sealant or other measures are necessary.
- The new basketball hoops and backboards are being installed.
- The time capsule has been repaired. Its abutting light fixture is being refurbished.
  - The light pole will be reinstalled after it is rewired and equipped with new LED bulbs.
  - The day the concrete was poured at the top of the structure, it was vandalized; an expletive was carved into the wet concrete.
    - Although the vandalism was minor and has already been repaired, this supports the Board’s concerns about vandalism.
- The Board awaits paperwork regarding Phase 3. CT Consultants will forward this along as soon they receive it.

**New Business:**

- The Parks Board anticipates that the DMRC will attend next month’s meeting to discuss future grants and plans for the parks.
- ❖ Motion to adjourn made by Don at 7:40 p.m., seconded by Scott; all “ayes” given.
