Others Present: Councilmember Jaime Nosse, Solicitor Michele Stuck, Village Administrator Ryan Klemm

- ❖ Motion to excuse Kevin Maloney by Tammy, seconded Wes, all in favor.
- ❖ Minutes from January Feb 13 were presented, and Wes moved to approve; Steve seconded; all voted in favor.

Old Business:

- Short term rentals: Discussed at length, with the goal of creating legislation for same. Michele to format and summarize our recommendations for review at the April 9 meeting.

New Business:

- Murals: Discussed and concluded that changes in ordinances are not reasonable primarily because it's not possible to codify murals separately from signs. Zoning inspector will be working more closely with mural applicants to ease the application process through BZA. No action items.
- Sign on Prospect & Main: discussed ownership, responsibility to maintain, desire to replace with newer, nicer sign. No action items.
